Dear Providers:

Web Portal UB92/Institutional Claims Entry

Corrections have been made to the **UB92/ Institutional Claims** entry function of the GHP Web Portal to provide an accurate list of bill types. You may view the corrected bill types list by going to **www.ghp.georgia.gov** and accessing the **Claims Tab**, select the **UB92 Institutional Claim** entry link, then select the **Bill Type** drop down box.

Thank you for your continued participation in the Georgia Medicaid and PeachCare for Kids Programs.
